**T**he men of the 210th Rescue Squadron, based in Anchorage, Alaska, are highly trained for extreme rescues and recoveries in the wildest, most remote and hostile corners of the Globe. Whether it be ships adrift at sea, rock-climbers stuck atop a 4,000-meter peak, or submariners sunk at unimaginable depths, these men are called to intervene.

They are the PJs - short for PARAJUMPERS. Tough and courageous, they are better trained than any other military corps, but most important, they use their skills and techniques to save lives.

Their motto is "That others may live".

It's to these heroes that Parajumpers dedicates its garments.

EVERY GUY NEEDS A WINGMAN  
TO MAKE HIM LOOK GOOD.
