EASY DOES IT

- Oh, to wear cashmere pants every day of the week. Well now you can! Look at them as a stylish alternative to jeans.
- Just add a loose easy vest, a super-luxurious hoodie and metallic sneakers to give your whole look a glamorous lift.
- Mix formal with comfort and add a three-quarter-length coat. Who said it had to be a jacket... longer lines always look more sophisticated.

Coat, £69.99, xs-l, Zara. Hoodie, £125, xs-l, Winser London. Top, £15, 6-22, Next. Joggers, £59.95, 8-12, Massimo Dutti. Trainers, £235, Carlo Pazolini

LAYER UP

- It's cold and you want to look chic, so the clever way to wear it is with lots of light layers.
- Go for expensive-looking tones of cream and pale grey and work it head-to-toe like you never even tried.
- Like a looser look? Then ditch those laces. Save them for more tailored days – this look is all about ease.

Gilet, £215, 8-16, Stills. Long-sleeved jumper, £145, s-xl, Toast. Short-sleeved jumper, £150, s-xl, Jaeger. Joggers, £205, xs-xl; hat, £95, both Woolrich. Shoes, £150, Rogues >>
