GG SPOTLIGHT

WHEN HERITAGE MEETS STREET

RICCARDO TISCI BEGINS HIS REIGN AT BURBERRY BY PAYING HOMAGE TO THE HALLMARKS OF THE ICONIC BRITISH HOUSE.

WORDS: AMY CAMPBELL

GG STYLE

We weren't exactly shocked when Riccardo Tisci revealed his first look as creative officer of Burberry on Instagram. After all, if anyone understands the power of social media in creating brand awareness, it's him. Arranged in the space of six images posted to his personal account, Tisci's curation of the pieces – icons like the trench coat, kilt and Harrington jacket – was symbolic of Burberry's legacy yet charged with Tisci's distinctive vision. Taking on a decidedly more dramatic edge, while the pre-spring collection was designed before the Italian's arrival at Burberry, his styling of the statement pieces offered a taste of what's to come. Dark, enigmatic and impossibly cool, it was a tantalising primer that left us hungry for more. *Available November; burberry.com*
