"C'era una volta..." ecco, questa è la classica storia che comincia così, come nelle fiabe più antiche. Farnoush Hamidian, modella iraniana, ci racconta un percorso di vita fatto di determinazione, infinito coraggio, obiettivi, desideri, speranza e difficoltà.

Da sola e con tutta la forza possibile, ha inseguito i suoi sogni ed ha iniziato la carriera di modella. Dopo terribili e devastanti esperienze di vita, è diventata una top model dal successo indiscusso, rimanendo sempre con i piedi per terra e con la consapevolezza che chi la libertà l'ha tanto desiderata, se la deve tenere stretta, perchè estremamente preziosa.

Farnoush ci ha insegnato qualcosa: che la vita si sceglie. Che bisogna essere eroine per se stesse e non per gli altri. E che l'anima di una persona non si può spezzare mai.

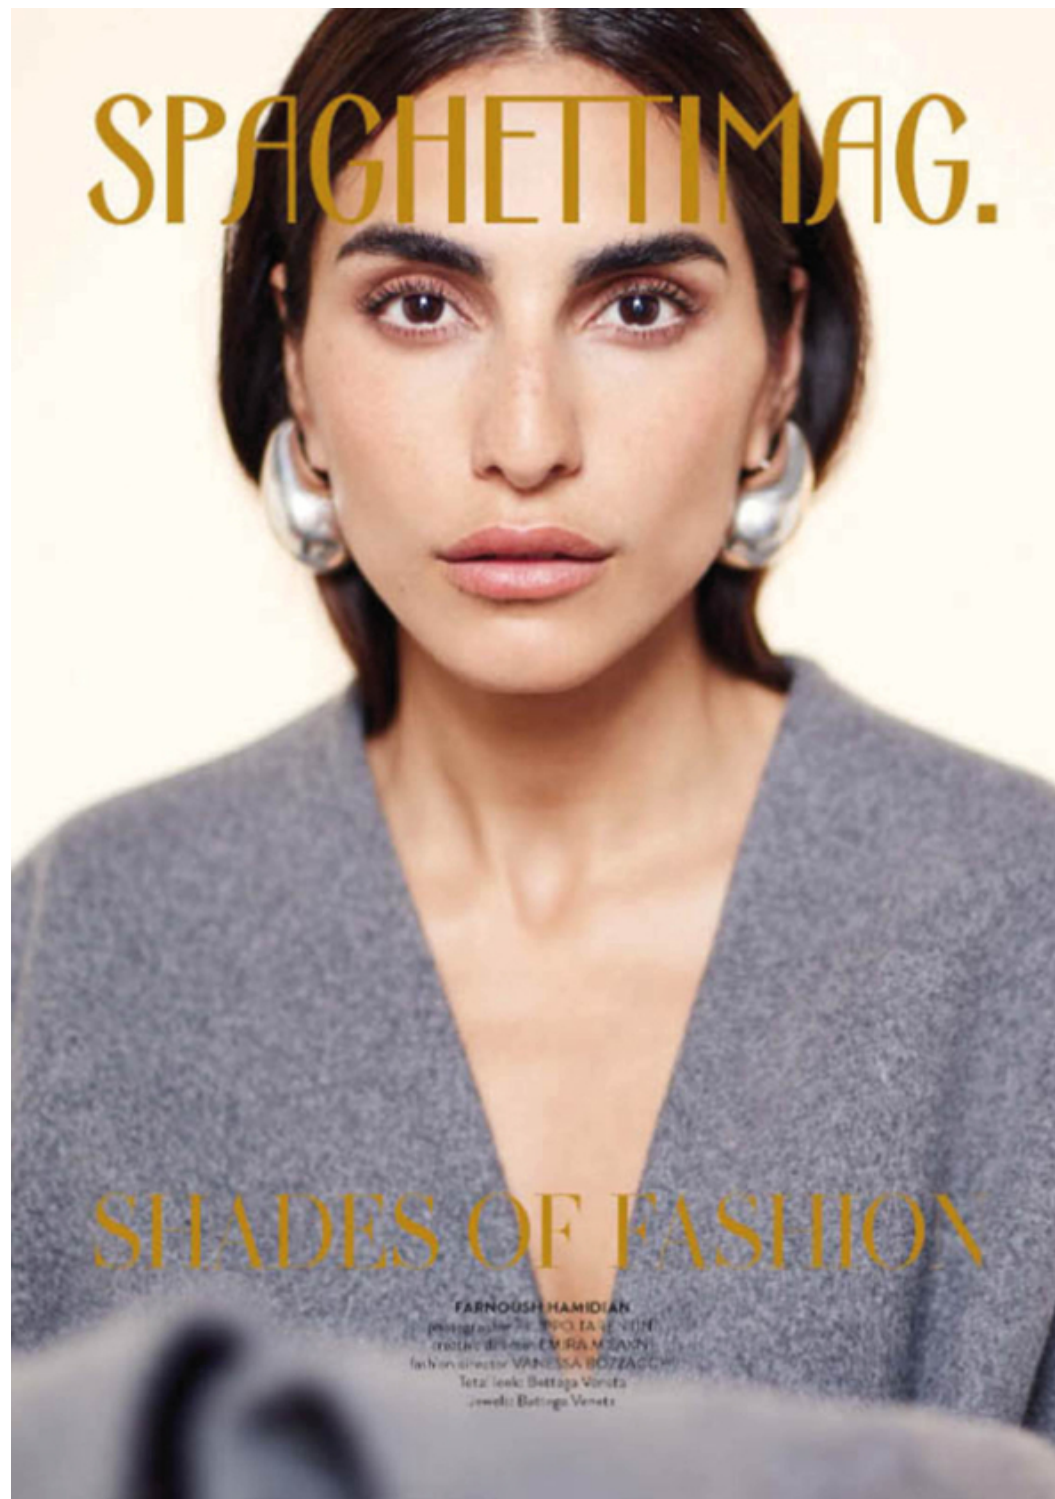

"Once upon a time..." this is the classic story that begins like this, as in the oldest fairy tales. Farnoush Hamidian, an Iranian model, tells us about a life path made up of determination, infinite courage, goals, desires, hope and difficulties.

Alone and with all the strength she could muster, she pursued her dreams and began her career as a model. After terrible and devastating life experiences, she became a supermodel of undisputed success, always keeping her feet on the ground and with the knowledge that those who desire freedom so much must hold on to it, because it is extremely precious.

Farnoush has taught us something: that life has to be chosen. That we must be heroine for ourselves and not for others. And that the soul can never be broken.
